For more information or to confirm that you are registered for a class, please call: 301-598-5200 ext.129.

GROUP LESSON POLICY SHEET

1. ATTENDANCE POLICIES:

Attendance will be taken every class. Please note that if the participant is late for class the instructor will not be responsible for making up that time. You must call the Aquatics department 24 hours prior to your lesson time to inform your instructor your child will not be in attendance at 301-598-5200 ext.129. If your child has a last minute illness - exceptions may be made by the Aquatics Director only. If prior notice is given, please note, the missed lesson must be made up during the same session of swimming lessons but may be made up on a different date than the student's normal class day. If it is not, you will forfeit that lesson. It is your responsibility as the parent to re-schedule with the instructor.

2. CANCELLATION POLICIES:

All swimming lessons will follow the group exercise cancellation policy. If Montgomery County Schools have canceled school the school day due to inclement weather, swim classes will not be held. If schools are opened late' classes will be held. If schools are let out early, classes will not be held. If classes are canceled for any other reason, the instructor will make every effort to contact you as soon as possible. We will of course make every effort to make up classes in these situations as soon as possible.

3. MINIMUM PARTICIPANTS:

All classes must have at least 2 participants in order to continue with the class. If 2 participants do not show up for the first lesson then, the first lesson will be given and you will be charged for 1 lesson or we will continue with the sessions for one participant with an additional \$20 charge. You have the option to re-register for a different class if you wish to do so.

I have read and understand the above policies.
