Lesson Policies:

- In order to participate in swim lessons, an Aspen Hill Club membership is required.
- Semi-Private and 3 and 4 student clinics are created by the member, not the instructor. You must come to the instructor with all of your lesson/clinic's participants' names before a date can be agreed upon for the lesson/clinic.
- If the participant is late for class the instructor will not be responsible for making up that time. **If the participant is unable to attend a scheduled lesson, 24-hour notice is required. If prior notice is not given, you will forfeit that lesson and be charged.** If your child has a last-minute illness, exceptions can be made.
- All lessons will follow Montgomery County Public School activities' inclement weather policy. If schools are canceled, lessons will not be held. If schools are open late, lessons will be held. If schools are let out early, lessons will not be held. Coordinate with the instructor for a make-up lesson.
- Instructors will do their best to ensure social distancing is practiced. However, during certain times of instruction, instructors may have to get close to the student as well as touch the student for different types of swim instruction as well as stroke correction.

I have read and understand the above policies and authorize payment once my lessons have been scheduled by signing this form.
